WHY DOES MODERNIST CHRISTIANITY OPPOSE RACIAL SEGREGATION? James H. Madole.

What sinister force has penetratrated the very heart of our American clergy turning the Christian religion into a subversive Fifth Column which seeks to break down all natural barriers between the races of mankind and to turn our great American cities into fear-ridden jungles where semi-civilized Negroes and Puerto Ricans terroriz e, rape and pillage the once secure native white population? Why does the Christian clergy almost universally support the Zionist Jews in their seizure of Palestine although many of the Palestinian Arabs whose lands were confiscated by the state of Israel were Christians? We urge those Americans who scoff derisively at the National Renaissance Party or call our members "Bigots and Hate-mongers" when we loudly denounce the catastrophic effects of Jewish dominance in the political, economic, spiritual and cultural life of the United States to READ THIS ARTICLE VERY CAREFULLY. Perhaps, if these super-humanitarians, idealists and self-styled "liberals" are not themselves bigots with closed minds, this article may serve to open their eyes to reality.

Does the organized power of the Jew exert an undue influence on the Christian clergy, the American Labor Movement or the government of the United States? How could a minority of possibly 6,000,000 Jews affect the spiritual, economic and political destiny of 175,500,000 Americans? Lets examine the facts closely and then reach our conclusions.

The American Jewish Committee (founded in 1906) and the Anti-Defamation League of B'nai B'rith (founded in 1913) are both international organizations set up for the alleged purpose of protecting the civil rights of Jews in America. These two Jewish "defense agencies" have become multi-million dollar pressure groups financed annually by the so-called Joint Defense Appeal (JDA). All contributions to these defense agencies" are completely tax-deductible. This money is used to permeate the Christian clergy, American Labor unions, national magazines, the American "free" press and governmental offices with equalitarian propaganda. These organizations have sponsored legislation and promoted propaganda aimed at destroying the Walter-McCarran Immigration Act because they wanted to break down all immigration barriers to masses of Communist Jews who had been kicked out of Europe and the Midule East. These Jewish groups have sought to use their vast influence to water down all anti-Communist legislation and few, if any, American politicians dared to oppose them for fear of being labelled "anti-Semitic". CAN WE PROVE THESE CHARGES OR ARE THESE CHARGES MERELY PROOF OF OUR BIGOTRY? We shall prove these statements by quoting from (THE AMERICAN JEWISH COMMITTEE BUDGET REPORT FOR 1951-Pages 37-38)

"When the Mundt-Nixon bill seemed most likely to obtain the approval of Congress, a resolution was also passed in which the American Jewish Committee opposed the measure on the ground that it was so loosely drawn that, if enacted into law, it could be used to prosecute unjustly liberals and liberal organizations and could thus deal a great and unnecessary blow to freedom of speech. Subsequently, the McCarran Internal Security Act became a law over President Truman's veto. Pursuant to our mandate, we circulated an analysis of the bill, POINTING OUT ALL ITS DEMERITS, and we joined with the National Community Relations Advisory Council (this outfit represents six major Jewish organizations and 43 Jewish community councils in America) IN A PUBLIC

"Our (the AJC's) primary resource group within Protestantism is the NATIONAL COUNCIL OF CHURCHES OF CHRIST'S two major divisions--Christian Life and Work; and the Division of Christian Education. Our primary Catholic contact is with the NATIONAL CATHOLIC WELFARE CONFERENCE, particularly the departments of Education and Press. We also work with the NATIONAL CATHOLIC BIBLICAL ASSOCIATION, CATHOLIC UNIVERSITY OF AMERICA, other Catholic universities, and individual chanceries. Other resources include the WORLD COUNCIL OF CHURCHES, State and City Church Councils and Ministerial Associations, the RELIGIOUS EDUCATION ASSOCIATION, the Catholic and Protestant Press, the PROTESTANT FILM and RADIO COMMISSION, National Conference of Christians and Jews."

"We (the AJC) are concerned, therefore, not only with what is taught in Christian education, but with the attitudes of the educator who trains the teacher, and of the teachers themselves. The environment surrounding the learning process also concerns us. Thus, what WE (the AJC) are concerned with is not simply CHANGING WHAT IS SAID ABOUT JEWS AND JUDAISM IN THE LITERATURE OF CHRISTIAN EDUCATION, BUT INTRODUCING A NEW AND POSITIVE VIEW OF JEWS AND JUDAISM INTO THE DYNAMICS OF CHRISTIAN EDUCATION. Our approach SEEKS TO TAKE ADVANTAGE OF THE GROUP LIFE FOSTERED BY CHURCH ORGANIZATIONS. MEETINGS with top Protestant leadership HAVE NOW BEEN ESTABLISHED ON A REGULAR BASIS. The success of our meetings with Protestant leaders on a national level points to the desirability of extending this effort locally."

American Christians should read the above statements from the American Jewish Committee's Budget Report for 1953 over several times. Those who read carefully will finally understand WHY THE CHRISTIAN CHURCHES ARE PREACHING PRECISELY THE SAME DOCTRINE AS DOES THE COMMUNIST PARTY. The break-down of all racial, economic, cultural and social barriers WILL PERMIT THE JEW TO DOMINATE OUR CIVILIZATION. Why should Jews who preach that Jesus Christ was a bastard and his mother a whore BE PERMITTED TO PREPARE SUNDAY SCHOOL TEXTS FOR CHRISTIAN CHILDREN? Why should Christian educators and clergymen confer with leaders of an organization which has attempted to defeat every piece of legislation aimed at investigating subversive Communist activities within our Halls of Government?

There is only ONE POSSIBLE ANSWER, NAMELY; THAT THE LEADERS OF BOTH THE PROTESTANT AND ROMAN CATHOLIC HIERARCHIES HAVE SOLD THEIR HONOR AND INTEGRITY FOR JEWISH GOLD AND NEGRO MEMBERSHIP. The influence of the AJC on the Roman Catholic Church in regard to the question of racial segregation can be seen in the statement issued by the Catholic Bishops of the United States following their two-day Conference in Washington, D. C. This statement was entitled, "DISCRIMINATION AND THE CHRISTIAN CONSCIENCE", and appeared in the "NEW YORK HERALD TRIBUNE" of Nov. 14, 1958. We quote in part:

"Today we are told that Negroes, Indians and also some Spanish-speaking Americans (meaning Puerto Ricans who are noted for such obvious Christ-like virtues as dope-peddling and prostitution) differ too much in culture and achievements to be assimilated in our schools, factories and neighborhoods. Some decades back the same charge was made against the immigrant Irish, Jewish, Italian, Polish, Hungarian, German and Russian. In both instances, differences were used by some as a basis for discrimination and even for bigoted ill-treatment. The immigrant, fortunately, has achieved his rightful status in the American community. Economic opportunity was wide open and educational equality was not denied him."

"Negro citizens seek these same opportunities. They wish an education that does not carry with it any stigma of inferiority. They wish economic advancement based on merit and skill. They wish their civil rights as American citizens. No one who loves God's children will deny them this opportunity...The question then arises: Can enforced segregation be reconciled with the Christian view of our fellow man? In our judgement it cannot, and this for two fundamental reasons:

(1) Legal segregation, or any form of compulsory segregation, in itself and by

DENUNCIATION OF THE MEASURE."

Further in accordance with the Executive Committee mandate, we participated in the ALL-AMERICAN CONFERENCE AGAINST COMMUNISM sponsored by the American Legion, IN ORDER TO INSURE THAT CERTAIN REACTIONARY GROUPS AND INDIVIDUALS SHOULD NOT SEIZE THE OPPORTUNITY OF SUCH A CONFERENCE TO SELL TO THE AMERICAN PUBLIC A BRAND OF ANTI-COMMUNISM, WHICH HAS INHERENT IN IT THE UNDERMINING OF CIVIL LIBERTIES. I believe we can truly say to you that we have been able to contribute a point of view to that Conference, AND TO EXERT AN INFLUENCE THERE, that is resulting in a program and procedure with which, thus far at any rate, WE ARE IN ACCORD."

Thus we find the American Jewish Committee boasting of its power and influence which was used to oppose all legislation which might have protected this nation against the inroads of World Communism. They feared exposure of the numbers of Jews involved in Soviet espionage and undercover work throughout the United States. They boasted to their contributors concerning the work of the American Jewish Committee in emasculating all resolutions and legislation of an anti-Communist nature. WHAT ABOUT THEIR SINISTER INFLUENCE IN THE CHRISTIAN CHURCH AND IN OUR SCHOOLS? Could these multi-million dollar Jewish pressure groups be responsible for the violent enthusiasm and support given by our clerics to the drive against racial segregation? Do these Jewish pressure groups use religious hucksters like Billy "Hellfire and Brimstone" Graham, Brother Ward of the Gospel Assemblies of God and Rev. Herbert W. Armstrong of Ambassador College to sell the idea of racial mongrelization to their duped followers? The above mentioned "Bible-thumpers" are always injecting attacks on Arab nationalism, praise for the Jewish Race and plugs for inter-racial brotherhood into their radio sermons. Of late, the Jews have been urging all Christians to attain the "spirit of Brotherhood" by attending Church services. Jewish Rabbis even urged their congregations "to help fill up the seats" at Billy Graham's series of Revival meetings in Madison Square Garden in New York. WHY SHOULD CHRIST-HATING JEWS URGE ALL CHRISTIANS TO ATTEND CHURCH SERVICES? Lets examine the facts.

(QUOTED FROM AJC BUDGET REPORT OF 1953, PAGES 96-102):

"Christian religious education, A SUBJECT OF MAJOR CONCERN TO THE AMERICAN JEWISH COMMITTEE WITHIN THE PAST GEN YEARS, has likewise enjoyed a phenomenal development. As the Church gains strength, new responsibilities obviously devolve upon OUR (Inter-religious Activities) Division if WE (the AJC) are to help influence the attitudes of Americans through their church experience. The religious school, which now embraces a substantial segment of American youth, bears even more careful examination than in the past. AS A RESULT OF OUR CLOSER ASSOCIATIONS WITH RELIGIOUS EDUCATORS, we are in a better position to encourage them to assume greater responsibility, both for eliminating prejudicial material and for making constructive inter-group education a part of their programs. OUR Christian educators have come to regard OUR (the AJC) agency as having special competence in intergroup (meaning inter-racial and inter-religious) education and HAVE NO HESITATION IN CALLING UPON US FOR COUNSEL."

"The Production and Magazine Division (Of the AJC) frequently supply us with materials for USE IN PROTESTANT AND CATHOLIC PRESS; stories and illustrations for curricular materials etc. The Radio and Television Division (of the AJC) furnishes guidance in religious programs And ALERTS US TO OBJECTIONABLE MATERIAL USED BY THESE MEDIA IN PROGRAMS HAVING RELIGIOUS CONTENT, PARTICULARLY DURING CHRISTMAS AND EASTER. (Thus we find Christ-hating Jews censoring all Christian religious broadcasts. No wonder Billy Graham, Bishop Fulton J. Sheen, Brother Ward, Rev. Herbert Armstrong and all other radio evangelists blame the Romans for the crucifixion of Jesus Christ in direct contradiction of the Bible WHICH BLAMES THE JEWISH RACE. These so-called Christian evangelists could not broadcast unless they followed the line laid down by the American Jewish Committee for the purpose of effectively brainwashing devout Christians.)

its very nature imposes a stigma of inferiority upon the segregated people. Even if the now obsolete court doctrine of "separate but equal" had been carried out to the fullest extent, so that all public and semi-public facilities were in fact equal, there is none the less the judgment that an entire race, by the sole fact of race and regardless of individual qualities is not fit to associate on equal terms with members of another race.

(2) It is a matter of historical fact that segregation in our country has led to oppressive conditions and the denial of basic human rights for the Negro. This is evident in the fundamental fields of education, job opportunity and housing."

In addition to the above statement by the Catholic Bishop's Conference, we quote the following absurdity from the official Vatican newspaper "L'OSSERVATORE ROMANO":

"Negroes are one of the hopes of the future and they may play the same rejuvenating role in the Catholic world which the German barbarians played in Italy 1000 years ago."

How can we answer these arguments of the Roman Catholic Church which are frequently re-echoed by the Protestant clergy. First of all, let us answer the argument of contrasting Irish, Polish, German and Hungarian immigrants to the United States with the present flood of Negroes, Puerto Ricans etc. The various waves of emigration from Europe to the United States created mere differences of nationality and sometimes of religion. Their mixing with the Dutch and Anglo-Saxon population which preceded them created no harmful effects. The immigrants, fleeing from poverty or religious oppression, may have arrived dirty or illiterate by American standards but if one of these immigrants married the daughter of an old New England colonial family, THE CHILDREN WOULD ALL BE MEMBERS OF THE WHITE RACE. CAN THIS BE SAID OF MIXED MARRIAGES OR ILLICIT SEXUAL INTERCOURSE BETWEEN NEGROES OR HALF-BREED PUERTO RICANS AND OUR NATIVE WHITE POPULATION? The Puerto Ricans, Brazilians and West Indians are themselves living examples of the end result of the policy advocated by the Roman Catholic hierarchy. The clerical authorities thrive in the black night of superstition, ignorance and fear. A mongrelized race can never hope to cast off the mental straitjacket imposed on humanity by this Church whose Golden Age vanished with the termination of the DARK AGES. Thus nations which remain totally backward in the development of science and technology such as Spain, Portugal, Poland, Southern Ireland, the Caribbean Islands and the South American nations ARE PREDOMINANTLY CATHOLIC LANDS.

Since the Christian Church orders us to practice tolerance and brotherhood toward the Negro race, it is only fair to study what the Negro, under the guidance of the Jew, Arthur Spingarn, of the NAACP is saying about his brothers of the White race. We quote from "THE CRISIS", official organ of the NAACP: "All those whom he has persecuted and enslaved, degenerated and emasculated, all of whom he has vampirized will, I believe, rise up against him on the fearful Day of judgment. There will be no succor for him, not one friendly alien hand raised to avert his doom. Neither will he be mourned. Instead there will come from all the countries of the earth, like the gathering of a whirlwind, a cry of exaltation. "White man, your day is over. Perish like the worm. And may the memory of your stay on earth be effaced."

The loving sentiments expressed toward the White race by our Negro "brothers in Christ" are quite different from the pious platitudes expressed by our "holy-rollers" and Bolsheviks in clerical collars. Modernist Christianity, supported by the American Jewish Committee, seeks to create a "herd mentality" among devout Christians which would cause these pious and superstitious souls to become a herd of placid sheep submitting meekly to the process of being fleeced and milked by their spiritual shepherds. These spiritual shepherds of the flock would include such devout "Hog-Callers" and "Bible-thumpers" as Billy Graham (who shared the Madison Square Garden platform with Negro agitator, Martin Luther King, and stated officially

that no racist will get into Heaven), Bishop Pike of California (married to the Jewess, Esther Yanowsk and head of the Zionist-sponsored American-Israel Friendship League) and Brother Ward of the Gospel Assemblies of God (a radio evangelist with Jewish features who depicts President Nasser as "the Anti-Christ of Biblical legend).

The people of America who read the documentation in this Bulletin will understand why the Christian clergy has betrayed the interests of the White Race. According to the Negro magazine, "EBONY" some 10,000,000 child-like African Negroes have been converted to Roman Catholicism as of November, 1957. The Catholic clergy succeeded in converting large numbers of stone-age Negroes in the Southern Sudan and packed the Sudanese Parliament with colored Catholic priests. The recent revolt of General Abboud in the Sudan forestalled a Catholic-sponsored attempt to divide the southern Sudan from the devoutly Moslem northern provinces. The Zionist Jews backed this Catholic plan because it would have prevented a possible Sudanese merger with Moslem Egypt, the enemy of Israel. Thus religion becomes a mere arm of politics.

On July 15, 1953, New York T-1 had advised that KURT MERTIG was then a pro-German radical who had been active in German organizations for the past 15 years. MERTIG had been active in the NRP several years ago but illness had forced him to cease his activities.

New York T-1 stated that MERTIG had been sent to Rikers Island, NYC, for six months on 2/28/46, after being convicted for inciting to riot and unlawful assembly in connection with his pro-German, anti-Semitic activities.

NY
On December 29, 1958, New York T-1 advised that JAMES MADOLE had recently indicated that an individual named [redacted] had been trying to develop MADOLE's friendship and had given his address as [redacted]. III. STATED AIMS AND PURPOSES
OF THE NRP

The November and December, 1958 issue of the "National Renaissance Bulletin" contains the following in its masthead: "Official Organ of the NRP Devoted to the Restoration of the American Republic, the preservation of American Sovereignty and the establishment of an American Regime based on the principles of racial nationalism and social justice".

IV. ACTION TAKEN TO IMPLEMENT
THE PROGRAM OF THE NRP

A. Meetings

New York T-1 advised on January 13, 1959, that a meeting of the "Racist Forum" was held at Steinway Hall, New York City, on January 9, 1959. He stated that JAMES MADOLE was among those attending and MADOLE was one of the speakers. MADOLE in his speech made discourses against the Jews and later in the meeting passed out anti-Negro literature.

NY 105-6112

The "Racist Forum" is a meeting held by the "Truthseeker" which is an atheist organization run by CHARLES SMITH, according to New York T-1.

New York T-1 on January 7, 1959, advised that JAMES MADOLE had received a letter from LINCOLN ROCKWELL of Arlington, Virginia, who is associated with the National States Right Party (NSRP). This letter dated December 20, 1958, indicated that ROCKWELL was planning on holding a meeting sometime after Christmas and requested MADOLE to attend. ROCKWELL also indicated in this letter a desire for MADOLE to work with ROCKWELL's group against the Jews. MADOLE indicated that he had advised ROCKWELL that he did not desire to attend the meeting but would gladly distribute any literature that ROCKWELL furnished to him.

New York T-1 further stated that MADOLE had had indicated that he would not attend the meeting of the "Truthseeker" organization to be held at Steinway Hall on January 9, 1959. However, he gave no particular reason for not wanting to attend this meeting except that in the past he has stated that he did not get along with CHARLES SMITH, the leader of the "Truthseeker" Group.

It is noted that he did attend this meeting as is set out above.

B. Literature

As is set out above, New York T-1 on January 13, 1959, advised that JAMES MADOLE, while attending the meeting of the "Truthseeker" on January 9, 1959, had passed out anti-Negro literature.

NY 105-6112

New York T-1 on January 7, 1959 further advised that LINCOLN ROCKWELL, mentioned above, had furnished him with some literature including a booklet entitled, "White Man Fight" which was anti-Negro.

New York T-1 on December 29, 1958, gave the additional information that MADOLE recently displayed a book which he stated he obtained at the Russian UN Delegation in New York City. This book concerned information about good treatment which the Moslems get in the USSR. MADOLE stated that an Iraqi official had phoned the Russians and indicated it was all right for MADOLE to obtain any literature there that he wishes. MADOLE added that he has been going to the Russian UN Delegation for books and literature.

New York T-1 on January 23, 1959, furnished a copy of the "National Renaissance Bulletin" issue of November and December, 1958. This issue contains anti-religious, anti-Jewish and anti-Negro material.

SUBJECT: ARAB PARTICIPATION AND INFLUENCE IN
DISTRIBUTION OF HATE LITERATURE IN
THE UNITED STATES
IS - MIDDLE EAST

A series of five articles appeared in the "New York Daily News" from 1/20-24/59 written by David Burk entitled "Peddling Hate in America: Egypt's Nasser." In these articles Burk accuses the Arabs (particularly President Nasser of the United Arab Republic) for fomenting much of anti-Jewish acts perpetrated by hate groups in United States by alleging anti-Jewish literature prepared by the Arabs has been given to Americans active in racist and hate campaigns for distribution. The articles further point out that some of these racists have been in contact with Arab officials and establishments in this country and some of their publications have contained pro-Nasser propaganda, the implication being that such propaganda was furnished by the Arabs. One Photostat each of these articles is enclosed for the use of each recipient office.

These articles specifically name certain persons as being leaders of a hate corps acting in behalf of President Nasser of the United Arab Republic in spreading anti-Jewish literature in this country through their publications or their activities. In order to ascertain the extent of Arab participation
and influence in the distribution of hate literature in the
United States, a file has been opened bearing instant caption.
Each office is instructed to make a complete and thorough
review of its files concerning the above individuals and
publications published by those persons located in their
respective divisions in order to locate all information
which may indicate Arab influence, associations or connection
in any way with above persons or their publications. You
should be particularly alert for any information indicating
that articles prepared by the Arabs or constituting Arab
propaganda are published in any of the publications. You
should also be alert for all information showing contacts on
the part of the above-mentioned racists with Arab officials
or diplomatic establishments in the United States. In
addition to a thorough file review, you should also contact
established sources and informants for any information they
may have in this regard. All leads developed therefrom
should be afforded thorough and intensive investigation. The
results of your efforts in connection with above should be
set forth in detail, properly documented as to source, in
report form under instant caption and submitted within 30
days from receipt of this letter.

Object of this file is to compile a complete
picture of this particular situation and to effect a definite
separation of this investigation, for report purposes, from
any past or present investigations of these individuals, their
organizations and their publications. This will eliminate
reporting of extraneous data in connection with this case.
The New York Office is designated as office of origin.

Letter to SAC, New York
Re: Arab Participation and Influence in
Distribution of Hate Literature in
the United States

Reports in this case should be designed to provide a well-documented picture of the background of the individual involved, the nature and extent of his participation in distribution of hate literature, the allegations in the news articles indicating his connections or associations with the Arabs, any prior data available in files on this point, and results of investigation to determine extent of participation and influence in or control of his activities by Arabs. Reports should be planned and coordinated so that Newark Office report, for example, will be restricted to data regarding Conde McGinley. In some offices several individuals will be involved and report should be broken down according to individuals. All offices should bear in mind in connection with interviews conducted as to whether persons being interviewed can furnish information regarding individuals in other offices and promptly furnish such data to appropriate field offices for inclusion in reports prepared by them.

In the event recipient offices are aware of other individuals or publications which allegedly are being used by or cooperating with Arabs in distributing hate literature, such information should also be set forth in these reports.

In any instance where data is developed or available indicating possibility of Registration Act violation separate cases should be opened promptly aimed at obtaining evidence and the investigation should be given continuous and preferred attention. Bureau should be advised immediately when case is opened. Concise summary of data developed in such individual case, carefully documented as to source, should also be reported in this control file.

With regard to the individuals mentioned as racists in the "New York Daily News" articles as set forth above, the recipient offices may confine their file reviews to those persons and publications located in their respective divisions with the exception of the Washington Field Office and New York Office. The latter two offices are instructed to review their files and contact appropriate sources concerning each of those individuals and publications inasmuch as Arabic diplomatic establishments with which those persons may have been in contact are located in Washington, D. C., and New York City. In addition, WFO and New York should thoroughly

Distribution of Hate Literature in
the United States*

review information obtained through coverage on Arabic diplomatic establishments for any data pertinent to this study. New York should also contact Customs to ascertain if any bulk shipments of Arab propaganda have been observed and to whom such shipments were designated.

Give this matter your continuous and prompt attention and make certain 30-day deadline is met.

There has been no evidence of such affiliation since then.

DETAILS

I. GENERAL ACTIVITIES OF THE
NATIONAL RENAISSANCE PARTY (NRP)

On February 24, 1959, New York T-1 advised SA HOWARD L. CHAPPELL that JAMES MADOLE continues as the leader of the NRP, maintaining headquarters at his residence, 10 West 90th Street, New York City. This informant stated that nothing has come to his attention that would indicate in any way that MADOLE or the NRP has had any connections with the bombings in the South.

II. STATED AIMS AND PURPOSES
OF THE NRP

The November - December, 1958, issue of the "National Renaissance Bulletin" contains the following in its masthead:

"Official organ of the NRP adopted to the restoration of the American republic, the preservation of American sovereignty, and the establishment of an American regime based on the premise of racial nationalism and social justice."

III. ACTION TAKEN TO IMPLEMENT
THE PROGRAM OF THE NRP

A.
Meetings

New York T-1, on January 28, 1959, advised that JAMES MADOLE had held a meeting of the NRP at his apartment, 10 West 90th Street, on January 22, 1959. Informant stated that there were about 14 persons present, which was a much larger group than usually attends these Thursday night meetings, and informant attributed this to a series of articles appearing in the "Daily" the New York City newspaper, the "Daily

NY 105-6112

News" which mentioned MADOLE and his connection with the Arab countries. This source stated that it appeared that due to these articles, "Agents" were being sent to visit MADOLE and obtain information.

New York T-1, on February 24, 1959, advised that the racist forum meetings could no longer be held at Steinway Hall. He stated that CHARLES SMITH, the leader of the "Truthseekers" group, an atheist organization, who held these racist forum meetings, has lost his meeting place at Steinway Hall. This informant stated that SMITH believes that his cooperation with JAMES MADOLE has cost him this meeting place, and he is anxious to forget his association with MADOLE. 1

New York T-1 further stated on February 24, 1959, that JAMES MADOLE held another meeting of the NRP at his residence, 10 West 90th Street, New York City, on February 12, 1959, with about five or six persons present.

B
Literature

New York T-1, on January 23, 1959, advised that JAMES MADOLE had received a note on January 15, 1959, from KAY LITTEG, a person who usually does the printing of the National Renaissance Bulletin, at the headquarters of "Common Sense" in Union, New Jersey. In this note, she advised MADOLE that because their mimeograph machine was out of order, she would not be able to print his current National Renaissance Bulletin. She did, however, make up the stencil and sent MADOLE a note to the Allied Laboratories, 66 Beaver Street, New York City,

NY 105-6112

requesting their help in running off the National Renaissance Bulletin for MADOLE.

New York T-1 stated that MADOLE obtained 500 copies of this bulletin, dated November - December, 1958, which consisted of one article by MADOLE entitled "Why Does Modernist Christianity Oppose Racial Segregation?" Informant stated that this was an anti-Jewish, anti-Negro article, with the last page soliciting subscriptions and contributions for the NRP, 10 West 90th Street, New York City.

Information concerning "Common Sense" is contained in the Appendix Section of this report.

New York T-1, on January 28, 1959, advised that MADOLE was then distributing the above-mentioned November - December, 1958, issue of the National Renaissance Bulletin.

On January 16, 1959, [redacted] of the Fort Wayne Jewish Federation, Fort Wayne, Indiana, advised SA HORTH that [redacted] Fort Wayne, Indiana, had informed that some readers had turned in mimeographed sheets with statements of an Anti-Jewish nature. These mimeographed sheets contained the printing "Study the Jewish problem and work to eliminate this evil. For more information write to: National Renaissance Party, 10 West 90th Street, New York 24, New York."

b6
b7C

On February 24, 1959, New York T-1 advised that JAMES MADOLE was then working on a new National Renaissance Bulletin, with the date of issue unknown.

NY 105-6112

He stated this bulletin will deal with Russia, in that it will congratulate the Russians on their fighting of Jews and Zionism.

APPENDIX

"COMMON SENSE"

It is noted that "Common Sense", published by the Educational Association of Union, New Jersey, was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities, of the United States House of Representatives, as "a 'hate group' vehicle publishing 'some of the most vitriolic hate propaganda, ever to come to the attention of the Committee. ' According to the report, "Common Sense" debunks Communism as "Judaism" and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro, minorities in our nation. Sympathy for the former Nazi Regime in Germany is also injected into this propaganda,

Re New York report by SA [redacted], 3/5/59.

On 4/25/58 [redacted] (U) furnished a list of names with a caption "National Renaissance Party". The informant could furnish no other information concerning the significance of this list. Since it appeared that these individuals might have some connection with the NRP an investigation was conducted on each of them. A succinct resume of the pertinent portion of the investigations is set out below:

CONRAD GRIEB NY file 105-32690

Investigation of this individual in 1958 and 1959 reflects that he reportedly in the early 1940's was pro-Nazi, anti-Semitic and anti-communist. [redacted] advised in November 1958 that he believed that Grieb to be a homo-sexual. No interview was conducted.

ETHEL T. CROOKES NY file 105-19229

This person was never in a policy-making position in the NRP or held any position of influence in that organization. Because of her advanced age and apparent ill health, it did not appear that she could be active in the NRP and consequently no interview was conducted.

JOSEPH F. LETTL NY file 105-19731

Since 1943 Lettl has appeared in person at the NYO or has written letters to NYO on numerous occasions. Because of his non-specific complaints which were usually rambling and incoherent, his name has been carried in the "psycho" box at NYO.

[redacted] NY file [redacted]

[redacted] resides at [redacted] and resides with his invalid mother. He reportedly has no occupation. Two sources believe him to be a homosexual. No interview was conducted.

[redacted] NY file [redacted]

He was an active member of NRP from 1954 to 1958. He voluntarily appeared at NYO on 3/16/58 and claimed he had decided to investigate the NRP approximately in 1952 or 1953 after hearing a radio commentator denounce the NRP. As of [redacted] he was a patient in the Psychiatric ward of the VA hospital, Brooklyn, N.Y. He had a previous history of admissions.

JOSEPH RUDDEN NY file 100-42957

He has a reputation of being a heavy drinker as well as having an unstable character. He was residing at 304 E. 83rd St. NYC and was reportedly a "floater" with no regular employment. He has appeared at NRP meetings at various times from 1952 to 1958.

[redacted] NY file [redacted]

[redacted] and Grieb, mentioned above, [redacted] as of 11/18/58. [redacted] appeared to have no steady employment and was described as a very "odd" type person. [redacted] believed that both [redacted] and Grieb were homosexuals.

[redacted] NY file [redacted]

Investigation in 1958 and 1959 failed to reveal any connection on [redacted] part with the NRP other than his name appearing on the above mentioned list.

[redacted] NY file [redacted]

Investigation in 1959 reflects that she is not employed and is on relief. She was dropped from relief roles in 1942 because of her "vicious letters" condemning this Country and Democracy. Her case was referred to a private agency with the hope of a city official that she would "ultimately be committed". Her previous school records show her as "rabidly anti-Semitic". She was not interviewed because of the above.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

In addition to the above individuals contained on the list captioned "National Renaissance Party", [redacted] and FREDERICK WEISS, who have had some association with the NRP, were interviewed.

b6
b7C

On 12/30/58, WEISS, when interviewed by SA John H. Sheahan, advised that he has no connection with any organization for the past couple of years and furnished no pertinent information about the NRP.

[redacted] was interviewed on 2/12/59 at Staten Island, NY by SAS [redacted] advised that he knew the NRP to be an organization sponsored by JAMES MADOLE, but did not think the NRP was much of an organization as MADOLE seemed to be about the only active member. [redacted] said that he had attended several NRP meetings at MADOLE'S apartment, 107. 90th St., NYC. He stated that these meetings had been attended by about three to six individuals, including MADOLE, and that he believed most of those in attendance came to ascertain the nature of MADOLE'S activity or came from curiosity. [redacted] described MADOLE as a person who is violently opposed to Jews and as one who advocates complete elimination of the Jewish people, but does not believe MADOLE is capable of violence despite his radical feeling with regard to the Jewish people.

b7D

This issue contains an article entitled "WHO ARE THE REAL HATE-MONGERS?" by JAMES H. MADOLE and is an attack by MADOLE on what he labels "Jewish propaganda agencies" which are bringing pressure on the Congress of the US to pass legislation to ban, from the mail, all publications "which dare to oppose the activities of the Jew and his multi-million dollar propaganda agencies".

On 4/27/59, [] furnished SA [] with a copy of the 2-3/59 issue of the "National Renaissance Bulletin" containing an article by MADOLE entitled "IS AMERICA FACING AN ECONOMIC COLLAPSE?".

b6

In each issue MADOLE requests the readers of the "National Renaissance Bulletin" for financial contributions to spread his and similar literature throughout the world.

Re SAC letter 59-48 dated 8/4/59.

Section E of referenced SAC letter advised that thumbnail sketches concerning Klan-type organizations, hate organizations, individuals and publications involved in these investigations should be resubmitted carrying the caption "Characterization of Klan-type and Hate Organizations, Racial Matters".

Subject organization is the only organization operating in the NY area that might possibly fall under the categories set forth in the above paragraph.

b6
b7C

However, as pointed out in the Administrative Section of report of SA [redacted] dated 3/5/59 at NY, and captioned "National Renaissance Party; Racial Matters", captioned organization does not fall under the standards set up for investigation of Klan-type organizations, hate organizations and associated individuals, as set forth in Section 122 in the Manual of Instructions.

By letter dated 3/25/59, entitled "National Renaissance Party, Racial Matters; IS - X", the Bureau instructed NYO to delete from the character of future reports the caption "Racial Matters" because of the reasons set forth in report of SA [redacted] referred to above.

b6
b7C

It is noted that all correspondence since that date, concerning captioned organization, has carried the character "Internal Security - X".

Consequently, NYO will make no changes in the thumbnail sketch which was submitted to the Bureau by letter dated 5/27/59, UACB.

ReNYlets 6/10/59 and 8/7/59.

b6
b7C
b7E

This issue contains an article by JAMES H. MADOLE entitled "FBI Launches New Reign of Terror in the American South" which claims that "50 FBI Agents were rushed to the sleepy little town of Poplarville (Mississippi) where their methods of questioning have placed two Americans in the local hospital" in connection with the investigation of the Mac Parker case who had been arrested and charged with the rape of a pregnant white woman.

The above issue also contains another article by MADOLE entitled "Hidden Facts Behind the Berlin Crisis" which places the blame for the unrest in Germany on "International Jewry".

On 8/12/59, [redacted] who has furnished reliable information in the past, advised SA EDWARD H. MADDEN that JAMES H. MADOLE continues to reside at 10 W. 90th St., NYC, and continues to carry on the activities of captioned organization from that address.

From all investigations conducted in this matter, would appear that the NRP is mainly a paper organization whose membership consists mainly of individuals contained mailing lists for the "National Renaissance Bulletin". Investigation has disclosed that MADOLE's primary activities consist in publishing the "National Renaissance Bulletin", which concerns itself with anti-Semitic articles. It is noted that MADOLE apparently has frequent contact with the consulate in NY, for the purpose of obtaining material which he distributes under the name of

Investigation, which has been conducted by the NRP has failed to reflect that any individuals ever actually attended meetings of JAMES H. MADOLE.

DETAILS:

G. H. MADOLE
On September 22, 1959, NY T-1 advised that JAMES H. MADOLE continues as the leader of the National Renaissance Party (NRP), maintaining headquarters for the organization at his residence, 10 West 90th Street, New York City. *NY*

NY T-1 further advised that MADOLE continues to publish the "National Renaissance Bulletin", self-described in its masthead as the official organ of the NRP.

A documentation of the NRP appears in the Appendix Section of this report.

NY T-1 also advised on September 22, 1959, that during September, 1959, MADOLE had attempted to participate in a demonstration of residents of Glendale, Long Island, New York, who were protesting the transfer of Negro students from schools in the Bedford-Stuyvesant area, Brooklyn, to schools in the Glendale area.

The informant stated that MADOLE had attempted to hire a hall in order to address the residents of Glendale and to secure new subscribers to his publication, "National Renaissance Bulletin". However, NY T-1 advised MADOLE was forced to cancel his attempt at hiring a hall when the residents of Glendale learned of MADOLE's reputation as a racial bigot and refused to have anything to do with him.

NY T-1 further stated that he had received information that MADOLE was attempting to hire a hall in New York City, for the winter season, in order to deliver lectures, but stated that MADOLE, to date, has been unsuccessful in leasing a hall.

NY T-1 was unable to furnish any additional information concerning MADOLE or the NRP.

NY 105-6112

On July 23, 1959, NY T-2 made available the April - May, 1959 issue of "National Renaissance Bulletin", which contained an article by MADOLE entitled "FBI Launches New Reign of Terror in the American South".

This article refers to an issue of "The Thunderbolt", official publication of the National States Rights Party (NSRP), which speaks of "the reign of terror imposed on loyal Americans in the South by J. EDGAR HOOVER's Secret Police".

The article goes on to criticize the Federal Bureau of Investigation's investigation in Poplarville, Mississippi, in the case of MAC PARKER who had been arrested and charged with the rape of a pregnant white woman and claims that "50+ FBI Agents were rushed to the sleepy little town of Poplarville, where their methods of questioning have placed two Americans in the local hospital."

A documentation of the NSRP appears in the Appendix Section of this report.

HIDDEN FACTS BEHIND THE 1960 ELECTIONS
James H. Madole

We should like to warn our steadily expanding membership concerning any undue optimism in regard to the 1960 presidential election. Some American industrial leaders seem to regard Richard Nixon as a shining knight in armor who will lead the American Republic out of the spider web of Jewish intrigue and restore a sound American economy. For the benefit of these worthy gentlemen we quote from "THE AMERICAN EXAMINER" of 12/17/59, an article entitled "JEWISH AGENCY OFFICIAL RESIGNS TO AID NIXON":

"Dr. Judd L. Teller, political secretary of the JEWISH AGENCY office here, has resigned his post to become advisor on Jewish affairs to Vice-President Richard M. Nixon, the "AMERICAN EXAMINER" learned this week. Dr. Teller is the author of "SCAPEGOAT OF REVOLUTION", and other notable works."

Just one week after this startling news was published in the Anglo-Jewish press, Nelson Rockefeller conceded his defeat as a presidential hopeful on the Republican ticket and left a clear field for Richard Nixon. Quite obviously Nixon has made a deal with the Zionist Jews as have all his predecessors in the White House since 1933. The JEWISH AGENCY FOR PALESTINE IS A FOREIGN ORGANIZATION, REGISTERED AS THE AGENCY OF A FOREIGN GOVERNMENT, ISRAEL, WITH THE DEPT. OF JUSTICE IN WASHINGTON UNDER THE FOREIGN AGENTS REGISTRATION ACT. Dr. Nahum Goldmann, Chairman of the American Section of the JEWISH AGENCY in 1953, summed up his organization's position as follows:

"It will become more difficult to fight in behalf of Israel's political demands when these demands do not conform with the policy of the states of which Jews are citizens...For once there is a (Zionist) state, clashes inevitably arise with the needs and demand of other countries to which Jews owe loyalty. THE PROBLEM OF DOUBLE LOYALTY CANNOT BE LIGHTLY DISMISSED MERELY BY SAYING THAT IT DOES NOT EXIST."

Hence we find Richard Nixon and the Republican party once more betraying the interests of the entire American people by placing a fanatical Zionist and former agent of a foreign power on his payroll in the dubious capacity of "advisor on Jewish affairs". Strangely enough we find no advisors on Irish, German, Arab, or Italian affairs on the payrolls of either party. Neither do we find advisors on Protestant, Catholic or Moslem affairs anywhere in evidence. We must assume, therefore, that World Jewry is once more playing its age-old role of "a state within a state". While advocating that all other races, colors, and creeds should lose their identity in the American melting-pot, the Jew simply refuses to indulge in the melting process but steadfastly gives his loyalty and wealth to a foreign state. This fact was commented on by Dr. Paul Hutchinson, editor of "THE CHRISTIAN CENTURY" in a foreword to the book, "A PARTISAN HISTORY OF JUDASIM", by Rabbi Elmer Berger, as follows:

"I find it tragic to see so many of our Jewish citizens electing for an attempted separate existence within our American society. While they insist that the idea of a divided allegiance is as repugnant to them as to any of their neighbors, they nevertheless denounce the principle of cultural amalgamation. They proclaim that the focus of their emotional and spiritual longing is elsewhere, and they show themselves ready in

62-83296-285

the discharge of their duties as American citizens TO SUBORDINATE ALL OTHER CONSIDERATIONS TO THE INTERESTS OF A FOREIGN NATION. The very word "assimilation" has become a reproach on their lips. THEY INSIST THAT THE MELTING POT MUST NOT BE ALLOWED TO MELT."

Should Nixon and his pet Jew reach the portals of the White House, the Afro-Asian nations could expect no further justice for the Palestine Arabs in Washington unless they bowed their knees and permitted the Israeli yoke to be placed around their necks. To further insure Jewish domination of the Republican party there are strong indications that Attorney General William Rogers will be nominated as Vice-Presidential candidate. Rogers, though a Gentile, is an honorary member of the B'nai B'rith and promised in December, 1958 THAT HE WOULD SUPPRESS ALL "HATE-SHEETS" CRITICAL OF THE JEWS OR THEIR POLICIES.

On the Democratic side of the ledger we have Senator Jack Kennedy, an avowed believer in the Catholic Church's policy of complete racial integration, and Herbert Humphrey of Minnesota, an avowed "liberal democrat". In the light of these facts lets consider some of the vital issues facing America in 1960:

THE PROBLEM OF RACIAL INTEGRATION

To understand the race question clearly and concisely we must abandon all humanitarian claptrap and vote-gathering political speeches. We must close our minds to the sweet siren-song of our clergymen and politicians concerning "human brotherhood" and the "equality of all mankind". These men are seeking votes and parishioners BUT WE ARE SEEKING THE SURVIVAL OF OUR SPECIES AND A FUTURE CIVILIZATION FOR OUR CHILDREN. The present trend of racial integration with jungle savages is leading our civilization BACK TO THE JUNGLE. It is officially reported that ONE OUT OF EVERY TWENTY NEW YORKERS IS LIVING ON RELIEF and the vast majority of these cases are comprised of Negro and Puerto Rican whores with ten or more illegitimate children by different men. Honest White taxpayers have to pay the ever-increasing bill to support this mass of human garbage which slops over into our public schools infecting White children with the moral laxity, narcotics habits, sex habits and calypso talk of these primitive people. The ever-increasing flood of Negro and Puerto Rican elements into our key Northern cities and the resulting exodus of the native White population will, under our Electoral College System, give the Jew and his colored allies COMPLETE POLITICAL CONTROL OF NORTH AMERICA WITHIN TEN MORE YEARS UNLESS WE ABANDON THE DEMOCRATIC FORM OF GOVERNMENT.

ALL SENSIBLE MEN KNOW FROM PERSONAL OBSERVATION THAT A VAST CULTURAL GAP EXISTS BETWEEN THE NEGRO ON ONE HAND AND THE WHITE AND ORIENTAL PEOPLES ON THE OTHER. Leaving religious and political propaganda aside, ARE THE WHITE AND NEGRO RACES EQUAL? The racial integrationists will tell you that the Negro is somewhat more backward because of his background and primitive African environment. Let us quote the words of the renowned British anthropologist, Meredith Townsend, in regard to this environmentalist argument:

"It is said that the Negro has been buried in the most "massive" of the four continents, and has been, so to speak, lost to humanity; but he was always on the Nile, the immediate road to the Mediterranean, and in West and East Africa he was on the sea. Africa is probably more fertile, and almost certainly richer than Asia, and is pierced by rivers as mighty, and some of them at least as navigable. What could a singularly healthy race, armed with a constitution which resists the sun and defies malaria, wish for better than to be seated on the Nile, or the Congo, or the Niger, in numbers amply sufficient to execute any needed work, from the cutting of forests and the making of roads up to the building of cities? How was the Negro more secluded than the Peruvian; or why was he "shut up" worse than the Tartar of Samarcand, (Timur, the Lame, known as Tamerlane) who one day shook himself, gave up all tribal feuds, and, from the Sea of Okhotsk to the Baltic and southward to the Nerbudda, mastered the world."

"None of the black races, whether Negro or Australian, have shown within the historic time the capacity to develop civilization. They have never passed the boundaries of their own habitats as conquerors, and never exercised the smallest influence over peoples not black. THEY HAVE NEVER FOUNDED A STONE CITY, HAVE NEVER BUILT A SHIP, HAVE NEVER PRODUCED A LITERATURE, HAVE NEVER SUGGESTED A CREED."

We might add to Mr. Townsend's account by pointing out that other races have created great civilizations in the African Continent. The awesome civilization of Ancient Egypt prospered from Ethiopia to the Mediterranean but was toppled by the infusion of Negro blood into the ranks of the Egyptian Master Race. The early Phoenicians, of Semitic blood, founded the great maritime power of Carthage in Northern Africa and lastly the European colonists from France, Belgium, Spain and Great Britain who brought the White man's civilization and medicine to the Dark Continent. We should not forget the great Moslem invasion which swept across Africa to Spain and beyond. All of these civilizations and cultures over thousands of years have had no more effect upon the African Negro than upon the jungle apes.

Another statement on this subject from the American journalist, John W. Draper, in his book, "CIVIL POLICY OF AMERICA", 1865 states:

"It is not consistent with the prosperity of a Nation to permit heterogenous mixtures of races that are physiologically far apart. THEIR INFERIOR PRODUCT BECOMES A DEAD WEIGHT ON THE BODY POLITIC. If Italy was for a thousand years after the extinction of the true Roman race a scene of anarchy, its hybrid inhabitants being unable to raise it from its degradation, HOW INDESCRIBABLY DEPLORABLE MUST THE CONDITION BE WHERE THERE HAS BEEN A MORTAL ADULTERATION WITH AFRICAN BLOOD."

Since the Jewish Race tends to resist the idea of racial assimilation more successfully and over a longer period of time than any other racial group, it may seem strange to find their organizations in the forefront of the drive to break down all barriers between the White and colored races. The same Jewish leaders whose Anglo-Jewish newspapers URGE JEWISH PARENTS TO SEND THEIR CHILDREN TO SEGREGATED JEWISH SCHOOLS and beg Jewish teen-agers not to have dates with Christian children, are pouring millions of dollars into the rabble-rousing NAACP and the Urban League. The head of the NAACP is the Jew, Arthur Spingarn, and one of its leading financial angels is the Jewish banker, Herbert Lehman. It should be pointed out that only 400,000 Negroes out of America's colored population of 17,000,000 are enrolled in the Jewish-sponsored NAACP whose purpose is to break down the cultural and moral superiority of our native White population through the process of racial mongrelization.

THE CHANGING RACIAL COMPLEXION OF OUR GREAT INDUSTRIAL CITIES ACCOUNTS FOR THE MONUMENTAL RISE IN JUVENILE DELINQUENCY AND ILLEGITIMATE BIRTHS IN AMERICA ALTHOUGH J. EDGAR HOOVER, OUR MINISTERS, AND POLITICIANS DARE NOT ADMIT THIS OBVIOUS TRUTH FOR FEAR OF LOSING VOTES OR PARISHIONERS. ONLY AN AUTHORITARIAN FORM OF GOVERNMENT CAN SAVE AMERICA FROM RACIAL CHAOS AND EVENTUAL OBLIVION.

AMERICA'S CHOICE, AUTHORITARIANISM OR CHAOS

American public opinion is beginning to realize that a strong, unrestrained hand is needed at the helm of our Ship Of State if the nation is to survive the strain, both economically and racially, of a world contest with Soviet Russia and her satellites. We quote from the "BOSTON SUNDAY HERALD" column of 12/6/59 by Edson B. Smith:

"Obviously what the United States needs is a government which renounces its fear of the public and has the courage to act upon its convictions. Anyone who can see any chance of our getting one such very soon is a lot more of an optimist than we are. For those who believe history repeats itself, we recommend dusting off and re-reading Gibbon's "DECLINE AND FALL OF THE ROMAN EMPIRE". We are already pretty well into the free food and circuses era."

American industrialists are being squeezed out of existence by steadily ascending taxes on one hand and the skyrocketing cost of living and cost of labor on the other. Our politicians fear Big Labor, the farm bloc, the Jews and the Negroes HENCE THE BEST INTERESTS OF THE NATION AS A WHOLE ARE GROUND INTO DUST BY VOTE-SEEKING AMERICAN POLITICIANS. American businessmen are going to Japan or Western Germany to set up their factories, build their ships and invest their capital because German labor costs are only one-third that of American labor costs. Politicians fear to antagonize our labor czars hence the whole nation can be crippled by a steel strike without government intervention. The Federal Government purchases tremendous quantities of grain and corn worth SEVEN BILLION DOLLARS TO OUR TAXPAYERS and places it in storage silos in order to keep favor with the politically powerful "farm bloc". We are spending at least ONE BILLION DOLLARS each year to subsidize farmers to produce unnecessary crops. The American people cannot purchase these stored grains because of the business recession and their inflated money. Foreign nations don't want these foodstuffs dumped on them because it would affect their steady markets. Hence our "democratic" government spends the taxpayer's money to purchase vast quantities of unneeded grain, corn and beef in order to purchase the "farm vote" for their respective parties.

We find that our American government cannot produce military items as effectively as they are produced under the totalitarian coordination and efficiency of the Soviet system. The American government sometimes utilizes the services of 40 different corporations, all working under top secrecy, to produce a single military item. The individual rivalry between these firms, all seeking the lion's share of the profits, causes delay and inefficiency. Our guided missiles are produced by separate business enterprises, each seeking to show a profit to its stockholders, WHEREAS THE SOVIETS HAVE ABSOLUTE COORDINATION WITHOUT REGARD TO PROFIT OR LOSS. Thus in 1917 we were TWO CENTURIES ahead of Russia whereas today we are at least TWO YEARS BEHIND in some cases. If America is to compete with Soviet Russia, much less surpass her, we must recognize that totalitarian coordination and discipline is far superior to the inefficiency, waste and personal greed of Western democracy, dominated by the Jewish spirit which places personal gain ahead of the welfare of the entire race and nation.

We now quote an extract from the "LAWYER'S WEEKLY REPORT--WHAT'S HAPPENING IN WASHINGTON", 11/2/59.

George F. Kennan, former U.S. ambassador to Moscow, now at Princeton, while addressing the Women's National Democratic Club in Washington recently said in a broadside at the aimless, disorganized character of our whole civilization:

"With no highly developed sense of national purpose, with the overwhelming accent of life on personal comfort and amusement, with a dearth of public services and a surfeit of privately sold gadgetry, with a chaotic transportation system, with its great urban areas being gradually disintegrated by the headlong switch to motor transportation, with an educational system where quality has been extensively sacrificed to quantity, and with insufficient social discipline even to keep its major industries functioning without grievous interruptions--if you ask me whether such a country has, over the long run, good chances of competing with a purposeful, serious, and disciplined society such as that of the Soviet Union, I MUST SAY THAT THE ANSWER IS "NO".

A FINAL WORD ON THE ELECTIONS

We have learned from extremely reliable sources that President Eisenhower is planning to place another Zionist Jew on the Supreme Court to replace Felix Frankfurter when he retires in 1960. This will be practically the last act of the Eisenhower Administration. The name of the proposed appointee is HENRY JACOB FRIENDLY and he is a director of the PAN-AMERICAN WORLD AIRWAYS, which firm is a member of the notorious Zionist-front known as the U.S.-ISRAEL CHAMBER OF COMMERCE & INDUSTRY,

INC. Mr. Friendly is also a trustee of the Federation of Jewish Philanthropies of NYC and a staunch supporter of the Zionist cause.

We urge all our readers and supporters TO BLOCK THIS APPOINTMENT BY writing their opinions to Senator James Eastland, Senate Judiciary Committee, Washington, D.C. The ability to protest now lies in your hands. ACT NOW.

[] brought your letter to me with the morning mail. As I looked the letter over I was even more pleased.. It is always good to know that there are others fighting as much as we here are.

Your enclosures were just what I had wanted to see.. I would like to see to it that some of your pamphlets and leaflets are passed out in New York City.. All you would have to do is send them to us and I would see to it that the Elite Guard and other members of the Party do the Job..

I am putting your name up for membership in the Party and in my next letter you will find your Party card. We have a new leaflet coming off the press in a few days, its the best one yet, Ill send you some of them as soon as I get them..

The man that you were writing to I think was a Mr. Lundoff. He is not with the Party at this time.

As to "Fleck" the run in was this. I DON'T LIKE JEWS. I let things go with him for a long long time. but its my job to show people that NO ONE GETS AWAY WITH TALKING AND WRITING THINGS ABOUT THE NATIONAL RENAISSANCE PARTY THAT ARE NOT TRUE...

As for "Germany" being "defeated", If you would like me to I could send you some addresses of people in Germany. they are STILL FIGHTING..

THE BIG SWASTIKA HOAX
James H. Madole

Is the recent fad of painting Nazi swastikas on Jewish synagogues indicative of a world-wide rebirth of German National Socialism or merely another effort, like the wave of synagogue bombings in 1958, to frighten wealthy Jewish industrialists into heavy contributions for both the state of Israel and the Joint Defense Appeal which services the financial needs of the American Jewish Committee and the Anti-Defamation League of B'nai B'rith? You may recall that the three nationalists accused of bombing the Atlanta synagogue on October 12, 1958 WERE FOUND NOT GUILTY after a prolonged trial. They accused L.E. Rogers, a stooge of the Anti-Defamation League, of having sought to frame the National States Rights Party and its members by suggesting at one of their meetings that the Atlanta synagogue should be bombed. ONE OF ROGER'S TWO NEGRO EMPLOYEES WAS SEEN DRIVING FROM THE SYNAGOGUE ON THE NIGHT OF THE BOMBING. The three nationalists were freed and vindicated BUT MR. ROGERS DISAPPEARED FROM ATLANTA AND HAS NOT BEEN SEEN SINCE. No further effort has been made by the Jews or the nation's press to find the real culprits. Did the synagogue bombings aid the cause of racial nationalism or did it assist the Jewish fund-raising organizations in soliciting millions of dollars and the sympathy of world public opinion? The following article by Judith Crist in the "NEW YORK HERALD TRIBUNE" of 10/23/58 will answer the question adequately:

"Reports of bomb threats and the wave of violence, bombings and "hate" literature around the country brought pledges of increased contributions to support the Joint Defense Appeal of the American Jewish Committee and the Anti-Defamation League of B'nai B'rith. At the JDA dinner at the Waldorf-Astoria last night, representatives from 19 cities promised increased allocations and 3 delegates from the largest communities pledged emergency funds to meet the organization's \$5,600,000 annual goal."

Once more we find the European and American Press seeking to blame the outbreak of swastika painting and defacing of synagogues on the United Arab Republic, the Soviet Union, a highly elusive and quite non-existent International Nazi Movement, the German Reichs Party, and the National Renaissance Party in the USA. Once again we ask, Who stood to gain the most financially and politically from bombing or defacing synagogues? Police authorities immediately outlawed all German Nationalist youth groups and prohibited activities of the German Reichs Party. Members of German right-wing groups were arrested on trumped-up charges as were members of the NRP in New York City. Three NRP men, Seth Ryan, Hugh Bruce and Gilbert De Mello were arrested on charges of disorderly conduct for arguing with a Jewish rabbi in notorious Union Square. These men were not even allowed to speak in their own defense when hauled into Night Court before the Jewish Judge, Irving Schreckinger. We quote from the "NY WORLD TELEGRAM" of 1/27/60 in regard to this clear cut violation of a defendant's civil rights:

"Ryan asked if he could speak. "No, you may not," snapped Magistrate Irving Schreckinger. "You preach hate; you ought to be ashamed; YOU ARE NOT FIT TO HAVE THE RIGHT TO FREEDOM."

Mssrs. Ryan, Bruce and De Mello were held on \$15,000 bail each, higher by far than in a rape or robbery charge, for mere disorderly conduct arising from the fact that they allegedly said "HEIL HITLER" to a Jewish rabbi who was attending a violently anti-German meeting of 8000 Jews held in notorious Union Square and advertised in the Communist paper, "THE SUNDAY WORKER". On trial for their freedom the boys WERE ALLOWED ONLY FOUR MINUTES TO CONSULT THEIR LAWYER, BELLA DODD, BEFORE THEY WERE RAILROADED INTO A 90-DAY SENTENCE IN THE WORKHOUSE BY POLITICAL APPOINTEE, JUDGE RAO. They are now out on appeal after serving a 14 day sentence AND LEGAL ACTION WILL BE TAKEN AGAINST THE CITY OF NEW YORK FOR THIS GROSS VIOLATION OF CIVIL RIGHTS.

Lets examine the facts behind the latest wave of Jewish-manufactured anti-Semitism. The story begins on Christmas morning in the City of Cologne, Germany. We quote from a series of articles entitled "SWASTIKAS OVER GERMANY" by a Jew, Joseph Barry, which appeared in the "NEW YORK POST":

"In the cold, dark hours of Christmas morning a man unknown outside a tiny community made a decision whose consequences have reached from Melbourne, Australia, to Marshalltown, Iowa, and have not yet reached their end, if they ever do. He was Rabbi Zwi Asaria of Cologne synagogue. If the rabbi had said "Wash away the swastikas," he told this visitor in the soft voice of the persecuted, "no one would have known of the unimportant little Jewish community in Cologne nor would you be sitting here. At 4 o'clock the rabbi had been awakened by the caretaker. He found police trying to remove swastikas on both sides of the door and slogans along the walls saying over and over "JUDEN RAUS". I ASKED THEM NOT TO WASH THEM AWAY. I TOLD THEM I MUST SPEAK WITH MY PEOPLE AND ASK THEM WHAT TO DO. Late in the afternoon the chief of police and Mayor Max Adenauer (son of the Chancellor) came and I EXPLAINED IT WAS THE SABBATH EVENING AND EVEN NON-JEWS WERE NOT ALLOWED TO WORK IN JEWISH HOMES. SO THE SWASTIKAS REMAINED...

"JEWS CABLED US FROM ABROAD," HE SAYS, "ASKING US TO LEAVE THE SWASTIKAS ON THE SYNAGOGUE AND I'M GLAD WE DID. People could see them for themselves and it meant much more than reading about them in the newspapers or even seeing them in photographs."

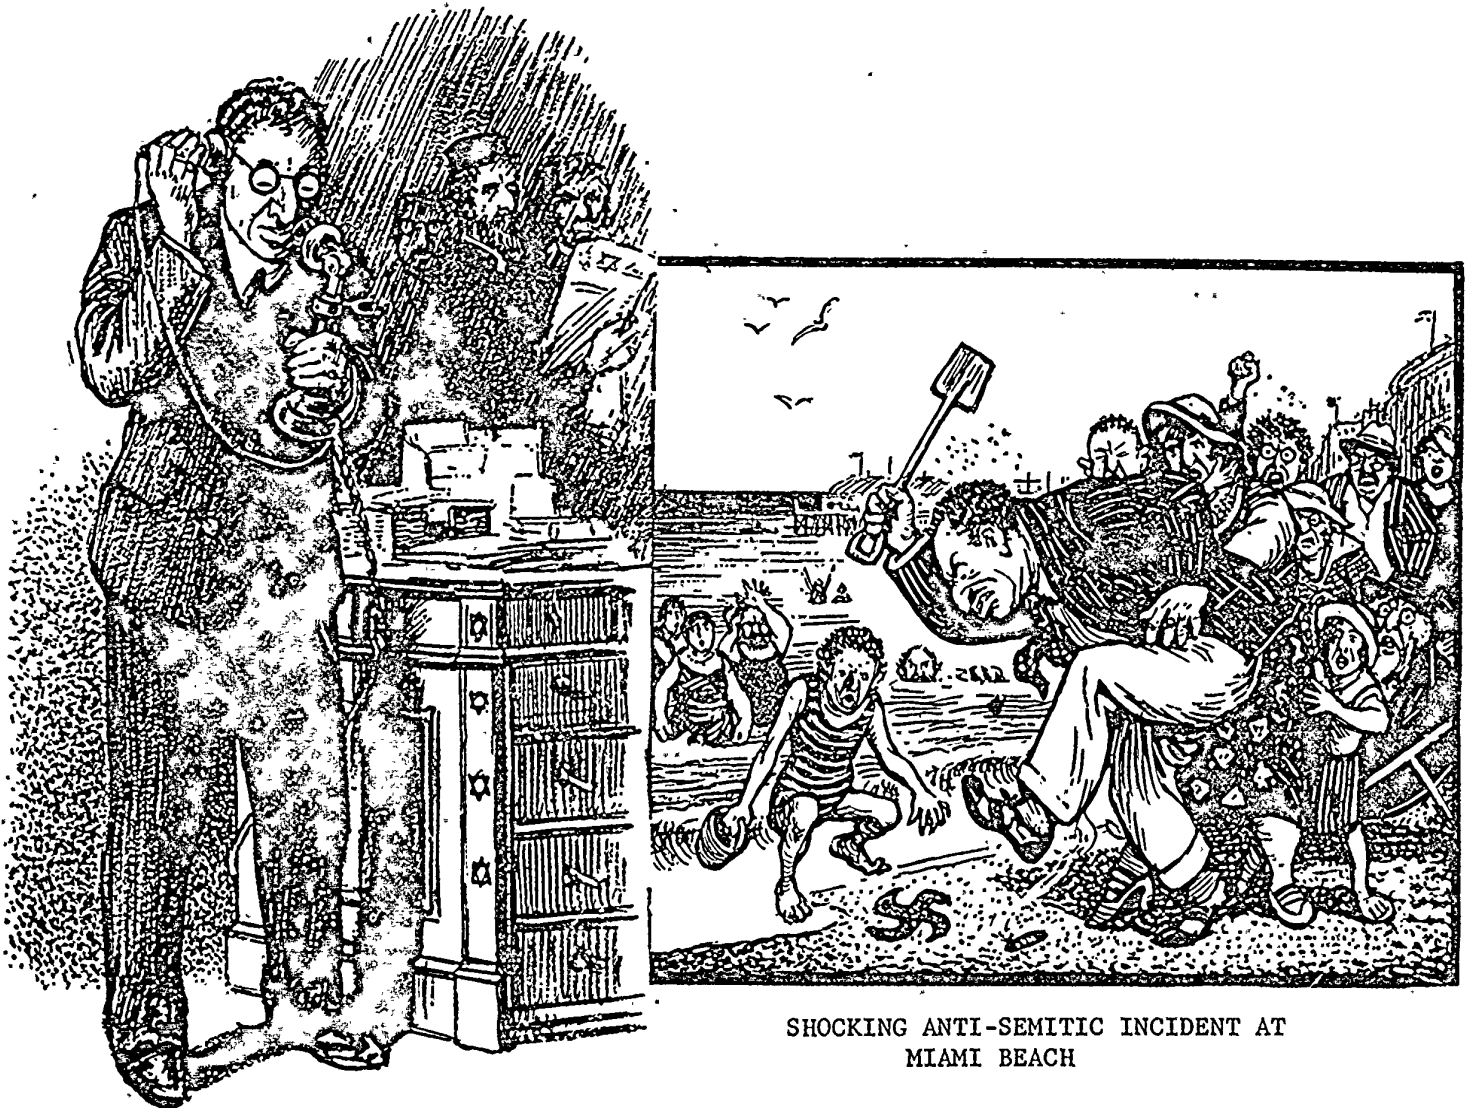

Thus we find the Cologne Rabbi determined to preserve the swastikas and anti-Semitic inscriptions on the walls of his synagogue until the Jewish press, radio and television could have a field day taking pictures and magnifying the event into a world-wide "neo-Nazi conspiracy". WHO PLACED THESE SWASTIKAS ON THE COLOGNE SYNAGOGUE? We find that the culprit was Paul Josef Schoenen, a 25 year old boy whose grandfather was a Jew and whose father was friendly to the Jews throughout the Hitler period. We again quote from Joseph Barry's article in the "NEW YORK POST":

"The father, Joseph Schoenen, WAS KNOWN IN COLOGNE FOR HIS FRIENDLINESS TO JEWS, EVEN DURING HITLER'S TIME. As a matter of fact, he has been doing printing for the tiny Jewish community since the war. Possibly, though not necessarily, he felt the fraternity of his one-eighth "Jewish blood". Certainly during the period of the Nuremberg laws everyone in the family was frightfully conscious of it."

When hauled into court as the man who had triggered a new wave of anti-Semitism throughout the world and paved the way for a rebirth of German nationalism, Schoenen appeared much more at home in the role of a Jewish "beatnik" than as a clean-cut German patriot. We quote from Seymour Freidin's column, entitled, "THE GUILTY", in the "NEW YORK POST":

"Schoenen appeared to enjoy his crowning day of notoriety in court. He wore a rakish red cowboy shirt and long-styled haircut to match. His grandfather had been part Jewish, but he, Schoenen, was a "German nationalist". He rambled in his testimony, not being able to pinpoint what he meant by "nationalism"... Strunk (Schoenen's partner) and Schoenen got off easy for what they did."

Upon being questioned by Jewish radio commentator, Barry Gray, concerning why they were caught unprepared by this sudden wave of anti-Semitism in Germany, officials of the Anti-Defamation League purported to have no knowledge of secret plans laid by the German Reichs Party to spark this sudden Nazi revival. They neglected to mention that the September, 1959 issue of their top-secret brochure entitled, "FACTS" gave a complete report on the inside activities of the German Reichs Party prepared by European agents of the ADL who had infiltrated the ranks of the German Nationalist organization. HENCE NO PLAN COULD HAVE BEEN PROPOSED WITHOUT THE FULL KNOWLEDGE OF THE ADL. This report was written at least four months before the Cologne incident triggered the world-wide outbreak. Incidentally the half-caste Jew, Paul Schoenen, joined the ranks of the German Reichs Party two years ago which might very well indicate that he was one of the European agents of the sinister ADL whose purpose was to compromise the German nation in the eyes of the world.

SHOCKING ANTI-SEMITIC INCIDENT AT
MIAMI BEACH

"Is that the General News Office? Well, I want some of your best boyth to dithcover Nazi plots". (ADL AT WORK IN USA)

As a result of the Jewish-inspired Cologne incident an unprecedented wave of propaganda was triggered throughout the world by the press agents of International Zionism. Hundreds of swastikas were found painted on synagogues in Germany, Australia, Columbia, Mexico, Belgium and even Israel and Hong Kong. Apparently Nazis were everywhere, even swarming the streets of Tel Aviv. Many were painted by youngsters who read of this new fad in the local newspaper or saw lurid tales enacted by Jewish actors on TV. We need only remember the details of the "Mad Bomber" case in New York or the recent plague of airplane bomb hoaxes to realize how this wave of publicity concerning swastikas would affect the juvenile population. Several of the "young Nazis" caught in New York City turned out to be young Jews and Puerto Ricans, scarcely the sort of racial material which a legitimate "Nazi" Movement would seek to recruit.

The Jewish organizations made their real purposes quite clear when demands for a sweeping realignment of the German educational system were made upon the Adenauer Government. German youth must realize the guilt of the German nation for the death of 6,000,000 Jews during the Hitler period. The time limit for German reparations to the State of Israel is

fast running out HENCE A "GUILT COMPLEX" MUST BE FOSTERED IN THE GERMAN YOUTH WHEREBY THEY WILL REALIZE THAT THEIR DEBT TO WORLD JEWRY CAN NEVER BE FULLY REPAID. Germany must continue the flow of capital to Israel lest Israel will surely perish.

Secondly, the German nation must be kept divided because a united Germany will sooner or later fall into Nationalist hands and a strong Nationalist government will demand that German industry be taken out of the hands of foreign stockholders, including a great many European and American Jews, and restored to the German people. We quote from "THE AMERICAN EXAMINER", an article entitled, "THE GERMANS" by Albert Friedman appearing in the issue of 1/14/60:

"I think both the East and the West ought to discard the so-called "unification" issue. Western Germany is already more powerful than most of the countries of the world, and there are some recent reports that Communist Eastern Germany, also, is becoming quite potent. In each region, apparently, the Nazi element is still solvent, and may one day become a major menace to both. GERMANY, EVEN WITH ITS PRESENT STRENGTH, IS MORE MANAGEABLE IN ITS DIVIDED STATE THAN IT WOULD BE AS A SINGLE ENTITY. Germany's plea for unity, therefore, which is so fervently seconded by our own government, SHOULD BE IGNORED IN THE INTEREST OF WORLD SECURITY."

Thus we find that World Jewry wishes to keep Germany divided as a slave-colony for the state of Israel and foreign corporations and stockholders who control the purse-strings of Germany's alleged "business boom". The major industries of Adenauer's Reich are completely dominated by foreign capital and by treaty the German people are forced to buy many commodities such as airplanes and aircraft parts from foreign nations rather than produce them on their own soil. If the Western World continues to be a partner to World Jewry's schemes of international economic blackmail, WE NEED NOT BE SURPRISED TO SEE THE GERMAN PEOPLE REBEL, AS THE CUBAN PEOPLE HAVE DONE, AND JOIN FORCES WITH THE EAST AGAINST US.

The forces of International Zionism also reaped their golden harvest from the kosher-Fascist incidents by setting a goal of \$76,000,000 in tax-deductable American currency for the Israel Bond Drive in 1960. We quote from the "AMERICAN EXAMINER" of 1/21/60:

"Referring to recent developments abroad, Dr. Horowitz said: "Israel has to be provided with the means for its creative reaction to the hostile forces of darkness... Abraham Feinberg, president of the Israel Bond Organization, described the State of Israel as a source of reassurance to Jews disturbed by recent evidence of anti-Semitism. "At this moment," he said, "when we are preplexed by sudden and unexpected desecrations and shocking reminders of Hitlerism, Israel is giving us strength to face reality. Israel stands before us as a pillar of reassurance and comfort. Israel gives reality to our hopes for the future, to our confidence in the ultimate triumph of human decency and enlightened good will."

The United Jewish Appeal was quick to follow the example of the Israel Bond Organization in taking advantage of the big swastika hoax by soliciting increased contributions from American Jewry. Just before the recent swastika outbreak the Israeli government announced a 50% deficit in its treasury. We now quote an article entitled, "1960 UJA GETS OFF TO DYNAMIC EARLY START WITH \$12 MILLION FUND", from the "AMERICAN EXAMINER" of 2/11/60.

"The nationwide 1960 United Jewish Appeal was officially launched Sunday as 500 American Jewish leaders, meeting here (at Miami Beach), contributed or reported large initial gifts that totalled \$12,130,000."

In summation let us state that the current wave of swastika paintings, like the synagogue bombings of yesteryear, were manufactured by Jewish fund-raising organizations to achieve their purposes of terrifying gullible Jews into greater financial sacrifice, to stimulate mass migration of Jews from Central Europe to Israel, to exert pressure on world public opinion aimed at keeping Germany divided, and to institute new school curricula for the German youth which will thoroughly brainwash the future generation and create a guilt complex among young Germans thus facilitating the continuation of endless German reparations to the State of Israel.

THE EICHMANN CASE, REALITY OR MYTH? James H. Madole

The famous capture and proposed "trial" of alleged Nazi "war criminal", Adolf Eichmann, bears a strong resemblance to the case of Paul Josef Schoenen who was accused of setting off the wave of swastika-painting incidents earlier this year. Paul Schoenen, whose grandfather was a Jew and whose father was active in the anti-Nazi underground movement throughout the war, painted swastikas and anti-Jewish slogans on the walls of the Cologne synagogue last Christmas Eve. Jewish organizations throughout the entire world used this incident to beat the drums of hate against the German people. By convincing terrified Jews that these swastika-painting incidents were the results of skilled planning by a secret, world-wide Nazi underground movement, rather than the work of paid agents of the Anti-Defamation League of B'nai B'rith and assorted Juvenile delinquents, the ruling hierarchy of World Jewry were able to collect millions of dollars with which to fight "anti-Semitism" and to induce the Adenauer government to revamp the entire German educational system. The ultimate purpose of brainwashing in the German schools is to poison the minds of German children against their own racial and national traditions, to create a false picture of Hitler and the National Socialist government of Germany and to further the goal of endless German reparations to the state of Israel by creating a feeling of collective guilt in the immature minds of Germany's future generation.

EICHMANN'S BARBECUED JEWS ARE RESURRECTED AS "EUROPEAN REFUGEES FROM NAZI TYRANNY" IN THE NEW WORLD.

We find that Adolf Eichmann, the alleged murderer of six million European Jews, was practically unknown among people who lived in Germany during the war and is seldom, if ever, mentioned in any chronicles of World War II written by historians or journalists of either side. The American newspapers point out that Eichmann, whose portrait reveals distinctly Semitic features, spoke perfect Hebrew, was on intimate terms with several Jewish families in Vienna prior to the rise of Hitler, and was often mistaken for a Jew by members of the Nazi Party. This rather dubious character learned to speak Hebrew in a school near Tel Aviv and was on cordial terms with leaders of the Zionist Movement in Palestine.

The Eichmann case bears a close resemblance to the Schoenen affair because both men appear to be of partial Jewish origin and both were willing to collaborate with their Jewish captors in swearing to all sorts of vicious lies against the German people and the Nazi regime. Truly fanatical

ADOLF EICHMANN
A FACE AS IS

believers in either Communism or National Socialism do not betray their beliefs under fire or under threats of persecution. Eichmann is quoted in the "NEW YORK TIMES" of 5/27/60 as having stated that he wanted to collaborate with his captors and clarify from a historical point of view the events of World War II in which he played a part. In the "NEW YORK TIMES" of 5/31/60 a letter from Premier Ben Gurion to a local Israeli newspaper was made public in which the Israeli Premier promised a show trial for Eichmann. We quote from the "TIMES" article: "Premier Ben Gurion wrote that Israeli youth needed to be made aware of the terrible facts of the Nazi regime AND THAT WORLD OPINION HAD TO BE INFORMED THAT ARABS PLOTTING THE DESTRUCTION OF ISRAEL WERE NAZI DISCIPLES."

We find, therefore, that the Eichmann Trial is to be used to create further sympathy toward Israel among the brainwashed Christian masses of the "Western Democracies" and to stir up further hatred against both the German and Arab peoples. Since the date set for the final termination of German reparations to the state of Israel is drawing near, the forces of World Jewry will use this fraudulent "trial" to stir up world opinion in behalf of a move to extend the payment of reparations by the Bonn government beyond the expiration date.

IN THE LIGHT OF THESE FACTS LET US CAREFULLY EXAMINE THE WHOLE MYTH OF RACIAL GENOCIDE LEVELLED AGAINST THE NAZI REGIME BY WORLD JEWRY AND PARROTED BY THEIR BRAINWASHED GENTILE DUPES IN AMERICA AND WESTERN EUROPE.

WORLD JEWRY PLANNED TO COMMIT GENOCIDE AFTER WORLD WAR II!

Statements which were made by Jewish leaders, both before and during World War II, prove conclusively that World Jewry, not Nazi Germany, planned a systematic campaign of racial genocide which would have thoroughly eradicated the Germanic race from the continent of Europe. Bear in mind that no allegations concerning Nazi "Death Camps" or crematoria were made until 1945 when the war ended. These hate crazed Jewish statements were made long before Dachau or Auschwitz were captured by Allied Forces. THESE SAME FIENDISH SCHEMES WERE LATER PUT INTO MURDEROUS EFFECT AGAINST THE ARAB POPULATION OF PALESTINE. Study these statements carefully BECAUSE THEY ARE A KEY TO THE WORKINGS OF THE JEWISH MIND.

1. STATEMENT BY ROMANIAN JEWISH LEADER, SCHABULINSKY, IN "NASCHA RETSCH" OF 11/13/33:
"For months past the fight against Germany has been waged by all Jewish communities, meetings, congresses, all mercantile associations, and every individual Jew in the world! There is another reason why our participation in this fight will prove of general advantage: We shall reanimate world antagonism, spiritually and ideologically, and the main thing is never to let it relax! It is Germany's ambition to resume her place as a world power, to recover her lost territories and her colonies. BUT OUR JEWISH INTERESTS DEMAND THAT GERMANY SHALL FINALLY BE DESTROYED--that is, that she shall never again own colonies, and that she constantly be kept weaker in war-technical respects than any other country. Until it passed under Jewish influence, Germany was always governed by elements dangerous to Jewry, and therefore Germany must be prevented from having restored to her the Polish corridor, her colonies and Silesia; above all, she must not be allowed to re-arm. She must be rendered harmless and reduced to a second class power. TO ACHIEVE THIS IS PART OF THE JEW'S DUTY, and this duty must be executed with all the power and all the means at our disposal, for we shall then be in a position to turn the scales in the hour of decision."
2. MAURICE LEON DODD IN HIS BOOK, "HOW MANY WORLD WARS", PUBLISHED IN 1942:
"No Germany and no Germanic race should be left after this war."
3. THE JEW, IVOR DUNCAN, IN HIS ARTICLE, "DIE QUELLE DES PAN-GERMANISMUS", APPEARING IN THE MARCH 1942 ISSUE OF "ZENTRAL EUROPA OBSERVER" DEMANDS THE STERILIZATION OF 40,000,000 GERMANS AND ESTIMATES THE TOTAL COST OF HIS SCHEME TO BE FIVE MILLION POUNDS STERLING.
4. DOUGLAS MILLER WRITING IN THE "NEW YORK TIMES" IN 1942 STATED THAT "SEVENTY MILLION GERMANS ARE TOO MANY: EXPORTS AND IMPORTS SHOULD BE SO REGULATED THAT FORTY MILLION GERMANS WILL STARVE."

5. IN THE LIBRARY OF THE AMERICAN HOUSE IN MUNICH IS AN AMERICAN BOOK ENTITLED, "JOY STREET", BY KEYES. ON PAGE 456 WE FIND:
"As Major David Salamon said:
"Could I have had the chance to choose my job in this war, I should have picked the same task I was actually assigned. Right through France, right into Germany TO DESTROY EVERYTHING. Never in history has there been such a war. I am glad that I can tell my grandchildren that I was there and took part in the revenge. I THANK GOD FOR THIS. When finally we reached Germany we began to destroy and devastate everything. Then I realized that this was what I was waiting for, this was what I was living for. MY ONLY REGRET IS THAT I WAS UNABLE TO DESTROY AND KILL MORE AS WE HAD NOT MUCH TIME LEFT FOR IT. When we reached Wiesbaden our tempo became slower for there was nothing left we could attack, bomb or kill."
6. STATEMENT OF SAMUEL FRIED, WELL KNOWN ZIONIST AND PACIFIST, DURING EARLY 30's:
"People dreading the revival of German power will never again see the restoration of Germany's military might. We will nip in the bud every effort to restore it and finally, should the danger persist, WE WILL DESTROY THIS NATION HATED BY EVERYBODY, BOTH BY PARTITION AND ALSO BY DISMEMBERING THE COUNTRY, AS WELL AS BY RUTHLESS MASS-MURDERS."
7. FROM "GERMANY MUST PERISH" BY THEODORE KAUFMAN (PUBLISHED 1942)
"There remains now but to determine the best way, the most practical and expeditious manner in which the ultimate penalty must be levied upon the German nation. Quite naturally, massacre and wholesale execution must be ruled out. There remains then but one mode of ridding the world forever of Germanism--and that is to stem the source from which issue those war-lusted souls, by preventing the people of Germany from ever again reproducing their kind. This modern method, known by science as Eugenic Sterilization, is at once practical, humane and thorough. The population of Germany is about 70,000,000 almost equally divided between male and female. To achieve the purpose of German extinction it would be necessary to only sterilize some 48,000,000--a figure which excludes, because of their limited power to procreate, males over 60 and females over 45....Of course after complete sterilization, there will cease to be a birth rate in Germany. At the normal death rate of 2% per annum, German life will diminish at the rate of 1,500,000 yearly...The consequent gradual disappearance of the German from Europe will leave no more negative effect upon that continent than did the gradual disappearance of the Indians upon this."

After reading the above recorded statements of Jewish intellectuals and writers, it may dawn upon the American mind THAT THE WRONG MEN WERE TRIED FOR THE CRIME OF GENOCIDE AT NUREMBERG.

DID ADOLF EICHMANN MASSACRE SIX MILLION EUROPEAN JEWS?

Aside from the fact that neither Adolf Hitler nor any responsible official of National Socialist Germany, even at the height of their power, ever made any statement regarding the wholesale massacre of Jews, there are several other vital reasons for doubting the entire myth concerning "Nazi genocide". These reasons may be enumerated as follows:

1. Six million people could not possibly have been gassed and cremated in all parts of Europe without the whole world knowing about it YET NOT ONE WORD WAS MENTIONED OF THIS MONUMENTAL MASSACRE UNTIL WORLD WAR II ENDED. When a much smaller number of Armenians were slaughtered in the wilds of Anatolia by the Turkish Army in World War I THE WHOLE WORLD KNEW AND PROTESTED IMMEDIATELY.
2. The German Army, considered to be the most efficient and methodical military force in European history, is supposed to have left all the gas chambers, crematoria, records, and piles of dead bodies for the Allied forces to discover and use as evidence at Nuremberg. The German demolitions experts had months in which to completely obliterate the so-called "Death Camps" but left them completely intact together with thousands of Jewish "witnesses" in order to facilitate their own prosecution.

3. The Soviet Army which occupied Auschwitz and the other major sites of concentration camps in Poland and Eastern Germany merely tore these camp sites down and made no mention of massacres, crematoria or tons of human ashes. They merely stated that many camp inmates, mostly Russian prisoners of War, had starved to death as had many German civilians when the German transport system broke down under repeated bombings. THE SOVIET UNION HAS NEVER RECOGNIZED THE LEGITIMACY OF JEWISH CLAIMS AGAINST EASTERN GERMANY.
4. The World Jewish Congress admits in its publication, "UNITY IN DISPERSION", (page 377) that: "The majority of German Jews succeeded in leaving Germany before the war broke out".
5. "SHEM", the underground paper of Jewish nationalists in France, on July 8, 1944, published a noteworthy article describing conditions in the internment camps of Eastern Germany. We should regard these reports as reliable sources of information, for they were given by Jews to Jews and they were based on direct experience. They deal in detail with conditions in the camps of Byslowitz, Chrszno, Kattowitz-Birkenau-Wadowitz, Meisso, Lage Oberlagenbielau, Waldenburg and Theresienstadt. There is not a word in the report of this Jewish paper about extermination or maltreatment of internees. Neither is there a word in these accounts about gas-chambers, extermination camps or infanticides. On the contrary! "SHEM" reports that the very young children between two and five years of age were being sent to various kindergartens in Berlin to enjoy the care of the German Red Cross and Public Welfare Dept."
6. Cardinal Faulhaber, the German archbishop, informed the Americans that, during the air raids on Munich in September, 1944, thirty thousand people were killed. The archbishop himself requested the German authorities at the time to cremate the bodies of these victims in the crematorium at Dachau. But, unfortunately, this plan could not be carried out. THE CREMATORIUM, HAVING ONLY ONE FURNACE, WAS NOT ABLE TO COPE WITH THE BODIES OF THE VICTIMS, NOR COULD IT HAVE ACCOMMODATED THE ALLEGED JEWISH BODIES EITHER. The only bodies cremated were those of inmates who passed away naturally.

Thus we find that the myth of Nazi genocide was built up by Hollywood prop-men and professional propagandists for World Jewry AFTER WORLD WAR II ENDED. It was the Jews, not the Germans, who had professed their intention, both before and during the war, of physically annihilating an entire race of people. THE RECORDS OF THE UNITED NATIONS WILL SHOW QUITE CONCLUSIVELY THAT WORLD JEWRY PRACTICED THE MURDER AND MUTILATION OF ARAB WOMEN AND CHILDREN AT DIER YASSIN, QUIBYA, AND MANY OTHER TOWNS AND VILLAGES IN ISRAEL. The murderers were the very Jews from Europe whom Eichmann was supposed to have roasted and barbecued in Auschwitz, Dachau, Bergen-Belsen, etc. When America sided with World Jewry against Hitler's Germany we sowed the seeds of our own ultimate destruction. THE LAST HOPE OF DEFEATING SOVIET COMMUNISM BY MILITARY FORCE ENDED IN THE FLAMING HELL OF STALINGRAD IN 1942-43. There is no longer any military power on earth capable of overcoming 220,000,000 Russians and 650,000,000 Chinese in the Red-dominated Eurasian land mass. National Socialism gave millions of people an ideal and a purpose in life. Democracy has produced a land with the highest rate of taxation, the highest cost of living, the highest divorce rate, the highest rate of juvenile delinquency and drug addiction and, LAST BUT NOT LEAST, SUCH MEDIOCRE, MENTAL MIDGETS AS EISENHOWER, NIXON AND KENNEDY. Always bear in mind that men die for ideals not for profits or business. IF RACIAL AND NATIONAL PRIDE ARE NOT QUICKLY RESTORED, BOTH IN AMERICA AND GERMANY, BY ESTABLISHING A REGIME WHEREIN QUALITY REPLACES QUANTITY AND CURRENCY IS BASED UPON PRODUCTION RATHER THAN GOLD, WESTERN CIVILIZATION WILL COLLAPSE. The record concerning Germany and the Jews must, therefore, be set straight even if it pains American sensibilities to admit they were wrong. The world situation today points out very clearly that Adolf Hitler was right and Franklin D. Roosevelt was wrong.

On 1/23/61, [redacted] who has furnished reliable information in the past, advised that a meeting sponsored by the National Renaissance Party (NRP) was held on Saturday night, 1/14/61, at the Avlon Studios, 220 West 43rd Street, NYC, with about 45 persons in attendance.

At this meeting, JAMES H. MADOLE, leader of the NRP announced that the NRP will circulate a petition, addressed to Senator WILLIAM FULBRIGHT of the Senate Foreign Relations Committee protesting the raising of funds by Jews in the USA that are deductible and are to be used to build up Israel. The petition also included a protest against the erection of a nuclear reactor in Israel and a protest against the actions of the Zionist "pressure groups" in the USA.

According to the source, about 12 persons present at the above meeting signed this petition.

MADOLE further stated at this meeting that the Federal Reserve Act, the Income Tax, and the advent of the Anti-Defamation League were instrumental in giving the Jews the control which they have in the USA.

He stated that President JOHN F. KENNEDY had to "carry the favor of the Jews" in order to be elected and that "nationalists", who think the Jews who supported President KENNEDY also support Russia are wrong.

MADOLE said that the fact that Russia refuses to permit Jews to emigrate to Israel plus the fact that 17 Jewish organizations protested Russia's anti-Zionist stand proves that Russia is no longer dominated by Jews.

MADOLE went on to state that Jews head such Negro organizations as the National Association for the Advancement of Colored People and the Urban League, and that he is opposed to desegregation and exploitation of the Negro by the Jews.

On March 15, 1961, [redacted] Bureau of Special Services, New York City Police Department, advised that a Cuban-American Friendship Rally sponsored by the National Renaissance Party (NRP) was held on Saturday evening, March 11, 1961, at Avlon Studios, 220 West 43rd Street, New York City.

[redacted] advised that the meeting started about 8:10 p.m., and terminated at 11:00 p.m. with approximately 28 persons present.

b6
b7C

According to [redacted] none of these in attendance were of Cuban or Spanish extraction but there appeared to be several present who were of what seemed to be of Egyptian extraction.

b6
b7C

James H. Madole, Leader of NRP, prior to the start of the above meeting, confidentially advised a representative of the New York City Police Department who was present that the announced showing of two color films on Castro and the Cuban Revolution would not be shown because of the refusal of the Fair Play For Cuba Committee to allow these films to be shown at this meeting. b. [redacted]

b6
b7C

[redacted] Madole also confidentially advised that [redacted] of the United African Nationalist Movement was originally scheduled to speak at the above meeting but that he would not appear. *N.Y.*

According to [redacted] Madole made an anti-Semitic speech, 8:30 p.m. to 9:40 p.m., attacking the Kennedy administration on the Zionists who have entrenched themselves in the Kennedy administration and control the "purse strings" governing the actions of the western world.

There was then a short intermission and Madole resumed speaking at 9:50 p.m. and ended at approximately 11:00 p.m. The second speech by Madole dealt with the trial of Adolf Eichmann, the Nazi war criminal, to be held in Israel in the near future. In this speech, Madole attacked this trial as persecution of Eichmann by the Jews.

[redacted] advised that at the end of the meeting, Arab and Cuban literature was distributed.

Concerning [redacted] previously mentioned, the records of the Bureau of Special Services, New York City Police Department were reviewed on November 10, 1960, and reflected that in 1948 [redacted] was actively associated with the Universal African Nationalist Movement, 100 West 116th Street, New York City, acting as speaker and chairman of picket lines, meetings and demonstrations sponsored by this organization. The Universal African Nationalist Movement had been active in Harlem for a number of years; and at one time had exclusive interest in a movement to colonize Liberia with American Negroes. However, a group within this organization deviated from this purpose and formed a "Buy Black" Committee advocating at future meetings that Harlem Negroes purchase only from Negro merchants. [redacted] was one of the "Buy Black" Committee members. As a result of this group's action, [redacted] of the Universal African Nationalist Movement, notified the Police Department on September 3, 1948, that [redacted] and five other members were being expelled from membership due to their disorderly conduct, constant and unrelenting disturbances in the meetings with intentions to incite confusion and riot among the peaceful members of the movement. [redacted] further advised that the public was being notified to the affect that his movement would not be held to account for any present or future actions by [redacted] and his group.

Subsequently, a new organization was formed; the ~~United African Nationalist Movement~~, 326 Lenox Avenue, New York City, of which [redacted]

Members of this organization picketed the United Nations General Assembly in September, 1949, at which time [redacted] stated the organization was composed of 700 active members in New York City, who were determined to "keep Italian Communism out of Africa". This police report reflected that the membership number stated by [redacted] was greatly exaggerated, and its membership was far less. Meetings held by the organization are in a small meeting room and attended by approximately 25 persons.

It is to be noted [redacted] was the subject of a Selective Service investigation by the New York Division of the Federal Bureau of Investigation (FBI) in 1944. He registered for Selective Service in 1940 as [redacted] stating he was born in [redacted] on [redacted]

[redacted] He was reported delinquent by a New York draft board for failure to report for induction. [redacted] was apprehended by Special Agents of the FBI at Fort Valley, Georgia, on March 3, 1944. He was subsequently presented for induction but was rejected by military authorities for mental psychosis.

A source who has furnished reliable information in the past, has advised that [redacted] has, for several years, been a troublemaker in various organizations in the Harlem section of New York City. [redacted] has advocated for many years that Harlem should be restricted for Negro people only. He has made many inflammatory speeches in support of this theory.

FAIR PLAY FOR CUBA COMMITTEE

The April 6, 1960, edition of the "New York Times," a daily New York City newspaper, carried a full page advertisement captioned, "What is Really Happening in Cuba?". The article maintained that the United States press has made certain charges against Cuba which are not true and the Fair Play For Cuba Committee was organized to tell the truth about Cuba in the interest of fair play. The advertisement closes with a note which states, "This public appeal for Fair Play For Cuba has the support of a group of thinking individuals holding a variety of political persuasions, representing no one but themselves, linked here by a single common concern for the overriding principle of justice which is always at issue, whenever partisan interests clash with simple truth."

Re: American Nazi Party
Racial Matters

On March 31, 1961, a source, who has furnished reliable information in the past, advised that Fridtjof-Karla Publications, Sycamore Hollow, Old Moon Road, Route 1, Box 188, Michigan City, Indiana, had issued a press release signed by Russell F. Knutson, Publisher, Fridtjof-Karla Press, which announced that a new book, "My Struggle", by Commander Lincoln Rockwell, founder of the American Nazi Party (ANP), was now available for \$6.75 a copy or \$4 per copy in a special pre-publication offer, if five or more copies were ordered.

The press release describes "My Struggle" as an "intimate autobiography with the total inside story of America's undisputed No. 1 villain".

The source further advised that James H. Madole, leader of the National Renaissance Party (NRP), was thinking of inviting Rockwell to address a meeting of the NRP, but as yet has not been able to work out a plan or to decide whether to do it. Madole reportedly commented that he must have publicity and therefore, wishes to invite Rockwell to an NRP meeting in order "to attract Nationalists not Jews".

The source stated he could furnish no additional information at this time concerning Madole's projected invitation to Rockwell.

AMERICAN NAZI PARTY

A source, who has furnished reliable information in the past, advised on February 27, 1959, that George Lincoln Rockwell of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise, National Socialists (WUFENS) at his residence on February 26, 1959. Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

Rockwell on March 29, 1959, furnished to Special Agents of the Federal Bureau of Investigation a copy of the program of the WUFENS, stating he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, called for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

The source advised on August 9, 1960, that the main activity of the organization has consisted of picketings of the White House with anti-Jewish placards, distribution of anti-Jewish literature and open-air talks by Rockwell, attacking Jews as traitors to the United States. On July 3, 1960 and July 24, 1960, Rockwell was arrested on charges of disorderly conduct. The charges arose out of talks by him on those dates. On the latter occasion, sixteen other members of the American Nazi Party also were charged with disorderly conduct.

On August 1, 1962, a source advised that the American National Party was formed on November 24, 1961, and is composed at present of [redacted] and [redacted] all former members of the American Nazi Party (ANP), who left the ANP because of policy disagreements with GEORGE LINCOLN ROCKWELL, ANP leader.

According to this source, there has been no real activity by the American National Party in recent months.

The source stated that the American National Party continues to maintain a "mail drop" at Post Office Box 191, Gracie Station, New York 28, New York, but has no actual headquarters.

ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

ROCKWELL, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 15, 1962, that the main activity of the organization in furtherance of these objectives, has consisted of picketings with anti-Jewish and anti-Negro placards; talks by ROCKWELL attacking Jews as traitors to the United States; attempts by ROCKWELL to form Nazi groups in various cities in the United States; and attempts to form a group of international sympathizers.
